

How to Pick Orders More Easily, Faster and Safer

Available for Rent!

Rent JOEY lifts instead of using ladders

JOEY task support vehicles from Big Joe provide a more stable and safer alternative to ladders, and they are also OSHA compliant. With these vehicles it's easy for operators to complete tasks like picking orders, stocking shelves, managing inventory, and more. Plus, the JOEY task support vehicles reduce labor: a single operator can complete jobs that would require two people if ladders are used.

Joey vehicles feature 360° steering with capacities of 750 lb to 2,200 lb. We'll help you rent the right model for your job!

Best Practices

Signs You Need to Replace Forklift Tires

Pay attention to the wear line

Most forklifts will have what is called a wear line. Once the wear on your tires reaches that line, it's time to replace them.
