

FREE!

Free Fork Inspection + Complimentary Caliper

Know when to replace your forks!

Forklift forks do not last forever. Regular use can cause them to bend, crack, or wear down over time. If you're unsure about the condition of your forks, give us a call, and we will complete a free inspection. Plus, we'll throw in a pair of calipers, so you can accurately measure fork thickness on your own!

If your forks are excessively worn out or damaged, we have replacement options available!

MAY THE FORKS BE WITH YOU

The more forklift forks you buy, the more you save

For the month of May, we're offering free annual fork inspections for your forklifts. After the inspection, we'll give you discounts on replacement forks.

- Buy 1 pair, **save \$20.00**
- Buy 2 pairs, **save \$25.00** per pair
- Buy 3 pairs, **save \$30.00** per pair
- Buy 4 pairs, **save \$35.00** per pair
- Buy 5 or more pairs, **save \$50.00** per pair

Tell us what kind of forks you need, and we'll ensure you get the correct replacements!

This special runs from May 1 to May 30, 2024.

Best Practices

The Risk of Working with Worn Out Forklifts

Increased maintenance costs

Damaged forklift forks may cause more frequent maintenance and repairs for your machine. That's because they can lead to greater wear and tear on other components, like shanks, positioning locks, and more.
